Things to know about Band and Orchestra

- Band and Orchestra is an elective class students have everyday during the school day – YES – We get to play EVERYDAY! It is no longer a pull-out class. You will no longer need to make up work in other classes to play in Band or Orchestra.
- Band and Orchestra is a year-long elective class. The commitment is for the full year. You will become even better at the instrument you choose! When signing up for band or orchestra, you still get other explore classes during the other elective period.
- A fun class with friends where we learn fun music at a variety of levels! There are 3 different leveled classes of band and orchestra at Drake.
- Instrument storage within our band and orchestra classrooms for your instrument and binder during the school day/week
- After School Clubs including weekly Jazz Band and Orchestra Club are open to students in regular band and orchestra classes.
- Band/Orchestra Field Trips
- Even if you did not join band/orchestra this year, it is not too late! We would LOVE to have you join next year!
